This summarizes the key details for your LIVE2024 poster presentation. Please carefully review the information provided.

Before the Congress

Poster Display

The schedule and times of the poster presentation are as follows:

Poster hanging:

- 08:30 AM – 09:00 AM on Thursday Oct 8 2026

Poster removal:

- Following closure of LIVE2026 at 16:50 on Friday Oct 9 2026.

Note: once displayed, posters should remain in place for the entire duration of the congress.

Programme booklet

A digital programme booklet will be available to all congress participants, listing the title and presenting author for all presentations. Your submitted abstract will be included in the booklet.

Each abstract will be assigned a poster number corresponding to the position on the poster grid where the poster should be displayed. Poster numbers will be shared approximately two weeks before the event.

Please note that changes to the submitted abstract or additions to the author list are no longer possible.

Registration

All presenting authors of LIVE2026 are obligated to register for the congress. Please kindly note that it is required to register and pay before 18 September 2026 to be guaranteed a spot in the Scientific Programme.

Preparing your poster

Content and language

Presenters are fully responsible for the content of their poster (order, graphics, etc.). All posters must be in English, as English is the official language of the congress. Prepare the poster at home and bring the printed poster to the congress. The congress does not provide a poster printing service.

Presentation formats and duration

All posters must be printed in portrait orientation.

The format for posters is A0 (width: 84.1cm / 33.1in; height: 118.9cm / 46.8in).

There is room for 1 poster per poster board.

Important:

- **Ensure readability:** Text, illustrations and other visual elements should be large and clear enough to be read from a distance of approximately two meters.
- **Poster mounting:** Materials for mounting your poster will be provided in the poster area. Staff will be available to assist you in locating your assigned poster space. Each author is responsible for putting up their own poster.
- **Format and layout:** There are no additional specific format or layout requirements from the organisers.

There are no further specific format and layout requirements of the organization.

During the congress

Arrival at the congress

Upon arrival at the congress, please collect your badge and congress materials at the registration desk.

You can then proceed to the poster area to put up your poster. All materials needed for mounting your poster will be provided at the venue.

Poster presenters are expected to be available next to their posters for discussion during the designated poster sessions, which will take place during breaks and lunch throughout the congress.

At the end of the congress, all posters must be removed by their presenters. Any posters left behind will be discarded after the congress.

Question or cancel poster presentation?

If you are unable to attend the congress or have any questions regarding your participation, please contact the Congress Secretariat:
