Celebrating 20 Years of Epithelix Innovation in *In Vitro* Respiratory Science

LIVe2026 is a unique international platform bringing together scientists, industry professionals, and regulatory stakeholders to advance *in vitro* respiratory research. The congress highlights cutting-edge predictive lung models, including ALI-reconstructed epithelia, organoids, precision-cut lung slices (PCLSs), and lung-on-a-chip systems using primary cells, iPSCs, and immune cells.

LIVe2026 marks the 20th anniversary of Epithelix, celebrating two decades of pioneering human-relevant *in vitro* respiratory models and our commitment to bridging basic research, translational science, and industry needs.

➤ Event Details

Congress Dates: Thursday, 8 October – Friday, 9 October 2026

Expected Attendance: Up to 200 participants

Number of Exhibitors: 8

Venue: ArchParc Convention & Conference Center, Archamps, France (short drive from Geneva, Switzerland)

Pre-Congress Workshop: Wednesday, 7 October 2026 afternoon

Key Scientific Themes

1. Modeling COPD, Asthma, IPF, CF, PCD *in vitro*
2. Viral Infections
3. Bacterial and Fungal Infections
4. Inhalation Toxicity Testing
5. Biological Barriers, MPS & Drug Delivery
6. Regulatory Considerations, Exposure Devices, and Deposition Modeling
7. Mucus, Surfactant, Cilia Functions and Modulations
8. Think Different

The congress fosters cross-sector collaboration among academia, pharma, biotech, chemical, tobacco, consumer goods, medical device industries, CROs, and regulatory agencies.

Exhibitor Packages

Platinum Sponsor – €3600

Deliver an exclusive, hands-on training session on **7 October 2026** (13:00 – 17:30) at the **LIVe2026 Pre-Congress Workshop**. Showcase your technology, workflow, or methodology in an engaging, practical format.

Lead a 1-hour practical session for 20 participants (4 groups of 5). Highly interactive.

Limited availability (ONLY 4 slots) to ensure exclusivity of workshop sessions.

Includes:

- Exhibitor Booth: Approx. 2 m × 2 m per exhibitor (Table, two chairs, electric plug-in)
- Two full congress registrations. The full registration includes:
 - Admission to the LIVe2026 Scientific Program on 08 and 09 October 2026
 - Admission to LIVe2026 Exhibition on 08 and 09 October 2026
 - Congress app
 - Catering on Thursday 08 and Friday October 2026
 - Admission to the Dinner on Thursday 08 October 2026
- Logo visibility: Displayed on the LIVe2026 website, social media communication, and during congress breaks.
- Company description: Company description: Sponsor One-Pager (A4, 210 × 297 mm; ~300 words maximum) to be featured in the LIVe2026 Congress app.

Pre-Congress Workshop Details:

As a Platinum Sponsor, you have the exclusive opportunity to lead a hands-on, practice-focused training session for a select group of LIVe2026 participants. This workshop is designed to replicate the format and spirit of the Epithelix Hands-On Lab Training; highly interactive, technically detailed, and centered on real experimental workflows.

Workshop Format & Expectations

Sponsors are expected to offer a practical demonstration or experiential activity, allowing participants to engage directly with your technology, workflow, instrumentation, or methodology. Participants should leave your session having performed, tested, or observed a concrete step of your model, device, or platform.

Your session may include, for example:

- Step-by-step demonstrations of assay setup, sample handling, or exposure techniques
- Live operation of equipment or devices
- Guided practice stations
- Brief theory introduction followed by applied work
- Protocol insights, troubleshooting steps, or best-practice demonstrations

Workshop Structure

- Rotational Format: Each sponsor delivers the same 1-hour practical session four times to different participant groups.
- Capacity: Maximum 4 sponsors and 20 participants.
- Participant Groups: 4 groups of 5 participants to ensure optimal interaction and hands-on engagement.
- Total Duration: Approximately 4.5 hours (including rotation transitions).
- Time: 13:00 – 17:30

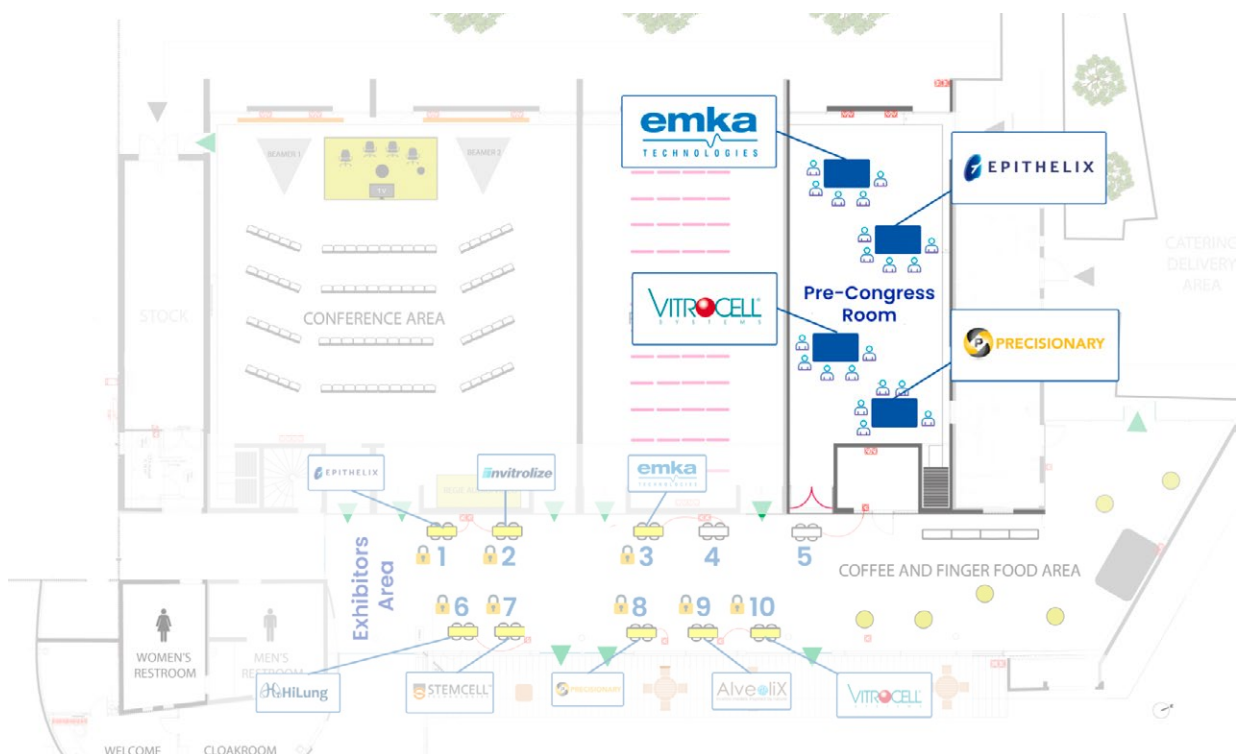

Who Should Prepare the Session?

This format is best suited for:

- Technical specialists
- Application scientists
- Product experts
- Laboratory trainers
- Anyone able to confidently demonstrate practical steps, answer detailed questions, and guide participants through hands-on activities.

Pre-Congress floor plan and set-up

Platinum sponsors are to set-up their booth 6 October, starting from 14:00.

Regular Sponsor / Exhibitor – €3000

Includes:

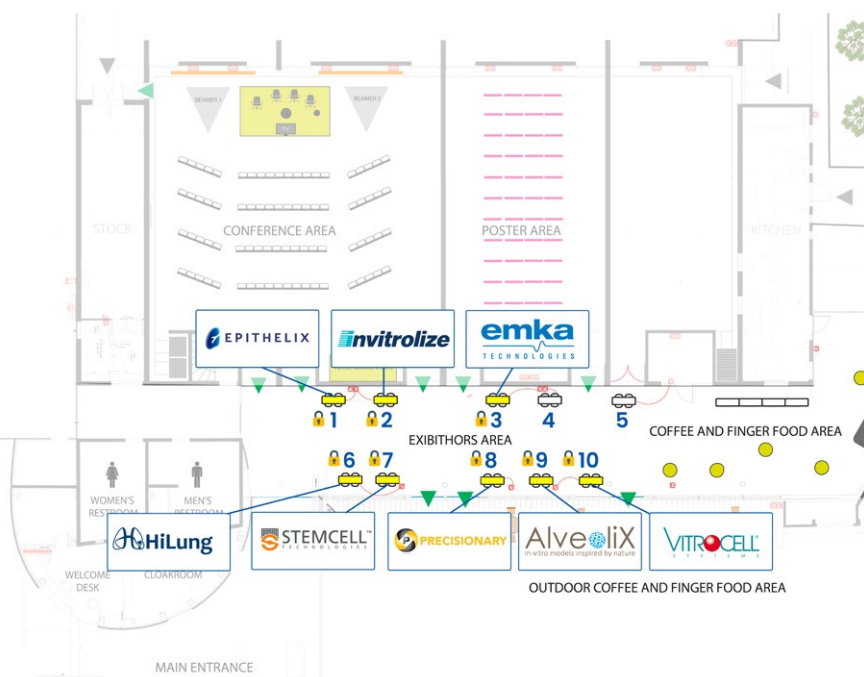

- Exhibitor Booth: Table, two chairs, electric plug-in
- Two full congress registrations. The full registration includes:
 - Admission to the LIVE2026 Scientific Program on 08 and 09 October 2026
 - Admission to LIVE2026 Exhibition on 08 and 09 October 2026
 - Congress app
 - Catering on Thursday 08 and Friday October 2026
 - Admission to the Dinner on Thursday 08 October 2026
- Logo visibility: Displayed on the LIVE2026 website, social media, and during congress breaks.
- Company description: Company description: Sponsor One-Pager (A4, 210 × 297 mm; ~300 words maximum) to be featured in the LIVE2026 Congress app.

Digital Communication Sponsor – €1000

- Logo visibility: Displayed on the LIVE2026 website, social media, and during congress breaks.
- Company description: Sponsor One-Pager (A4, 210 × 297 mm; ~300 words maximum) to be featured in the LIVE2026 Congress app

Exhibition Details

Floor Plan

Booth Setup

Allocated floor space: Approx. 2 m × 2 m per exhibitor
